The top 5 highest and lowest Neighbourhoods

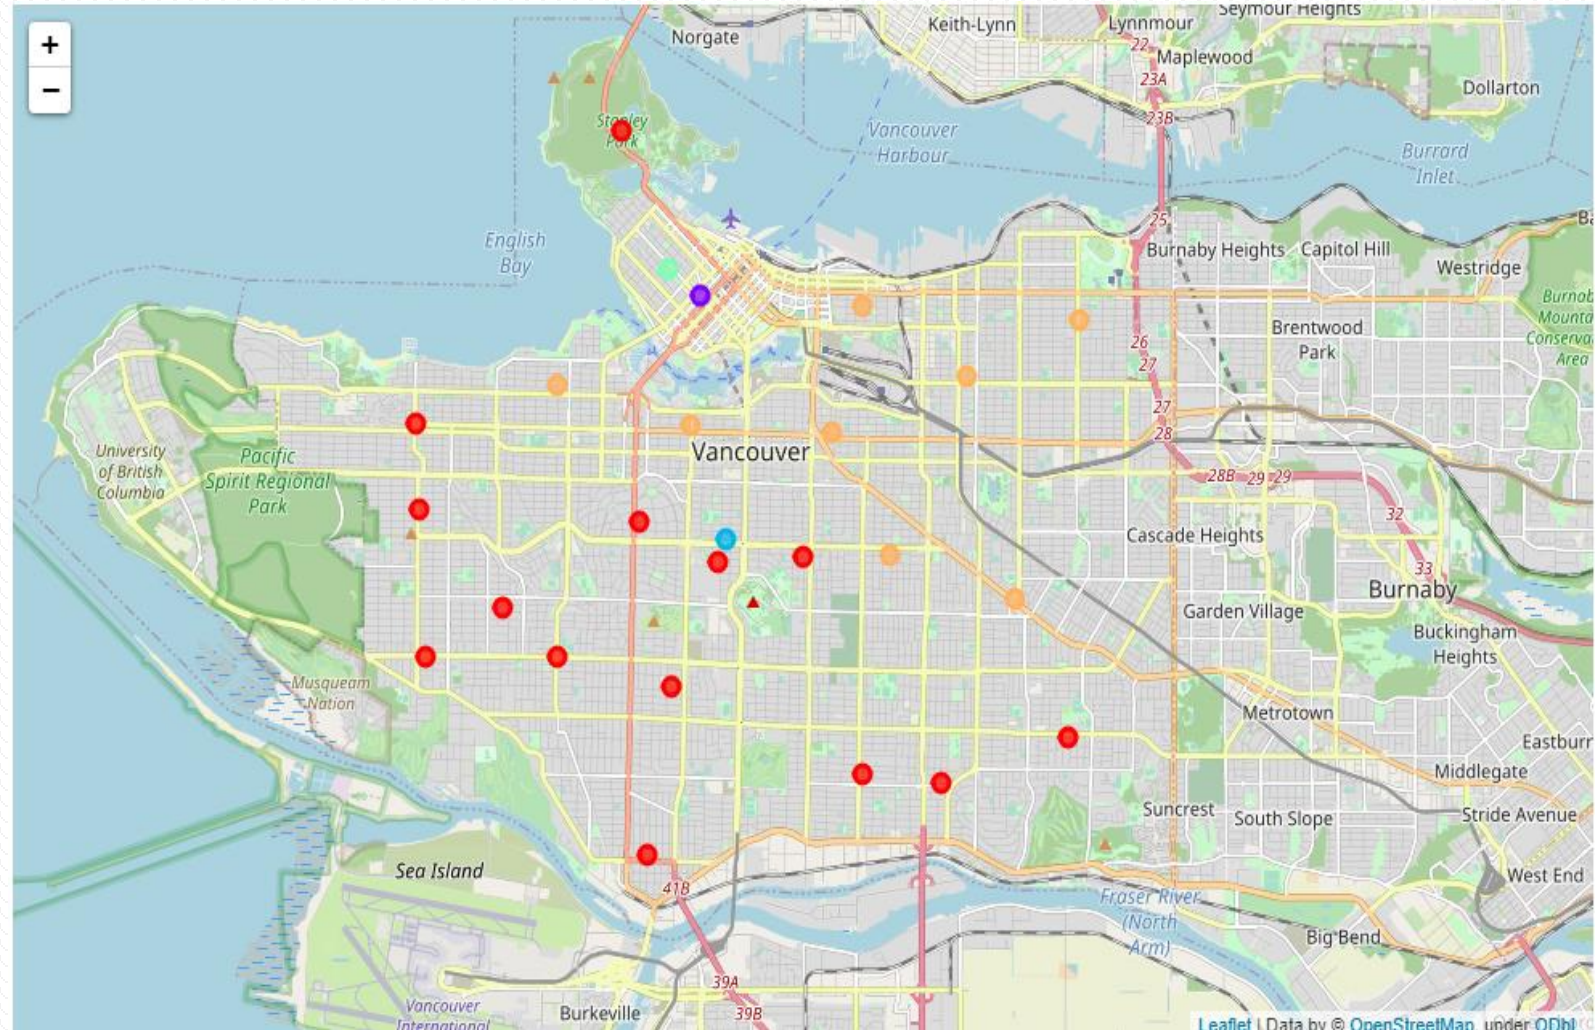

The top 5 highest and lowest Neighbourhoods

That's a plotter map showing the neighbourhoods. You take advantage of this plot way to check it out if the Neighbourhood is well located, I mean if it's close to any beach, park or is centered located

The top 5 highest and lowest Neighbourhoods

As you can see, It would be better choose a place on the east side, where considering the cluster is mostly safe, or if you are looking for open a new bussiness you should look between east and center.

Thanks
